- In addition to offering preparation for various academic majors, DCCC also offers two-year associate degree or one-year certificates in numerous career programs. Many programs allow you to work in the field while earning college credit and gaining valuable work experience.
- Students of all ages attend DCCC, on a part-time or full time basis.
- Tuition at DCCC is half the cost of most public four-year colleges and universities.
- DCCC has a variety of scholarships available according to major, academic achievement, and talent areas.
